

Social life

For this game of human bingo, ask around to find others with some of the same societies/clubs as you. For each society or club, write a name in the box.

Game of Thrones Society		Nerf Society	
	Football Club		Dance Club
Bagpipe Society		Mario Kart Society	
	Walking Club		Bingo Society

All of the above are real societies or clubs from universities you could access in a local community whether you were going to university or completing an apprenticeship.

Unfortunately, you wouldn't be able to take part in every club. However, if you had the time for just two, which two would you choose and why? This can be any you know or those you have learned about today.
